

General Information

Once we depart we will serve you breakfast, show a movie, and take attendance.
Sit back, relax, enjoy the trip!

To ensure that everyone enjoys their trip, we ask you to please adhere to the following points:

At Departure

- ◆ Please arrive early as the bus will leave promptly at departure time. We are not responsible, and will not offer refunds if you miss the bus.
- ◆ If you would like to sit next to someone on the bus, please arrive earlier as seats are on a first come, first serve basis.
- ◆ There is overhead storage on all buses and we urge you to store your boots inside the bus, instead of under the bus with your equipment. This will prevent your boots from freezing, causing frostbite.
- ◆ Please speak with the Trip Guide if you need assistance getting your equipment from under the bus.
- ◆ All buses have Heat/AC that will operate during the trip, along with TVs that will play a DVD. Please speak with your Trip Guide if there are temperature/ volume concerns and we will attend to it as best we can.
- ◆ Please turn off your cell phones while on the bus since many guests sleep on the way to/from the mountain.
- ◆ Please throw all trash in the bag at the front of the bus.

Prior to Arrival at the Mountain

- ◆ Feel free to leave any items behind on the bus. However, you will not have access to the bus until the end of the day, so please make sure you bring everything you will need.
- ◆ Remember your bus number and name of your Trip Guide in the event you need to contact them during the course of the day.

Going Home

- ◆ We will return on the same bus we arrived on. Please sit in the same seat you had in the morning. This will avoid confusion.
- ◆ If you are not going to return on the bus going home, please inform your Trip Guide they can mark the attendance sheet.

Finally, and most importantly... HAVE FUN!
